Drug Facts

Active Igredients

Titanium Dioxide 7.7%Sunscreen

Zinc Oxide 3.8%Sunscreen

Uses

Helps prevent sunburn Higher SPF gives more sunburn protection Retains SPF after 80 minutes of activity in the water or sweating

Warnings

For external uses only.

When using this product keep out of eyes. Rinse with water to remove.

Stop use and ask a doctor if rash or irritation develops and lasts.

Keep out of reach of children. If swallowed, get medical help or contact a Poison Control Center right away

Directions

Apply liberally and uniformly to all exposed areas 15-20 minutes before sun exposure. Shake well. Rub in well. Reapply often (every 2 hours) and after swimming, excessive perspiration and washing. Children under 6 months of age ask a doctor. Effective sun protection for children under 2 years of age is strongly recommended.

Other Information

Sun alert: Limiting sun exposure, wearing protective clothing, and using sunscreen may reduce the risk of skin aging, skin cancer, and other harmful effects of the sun. May stain clothing. You may report serious adverse reactions to Report Reactions, LLC, PO Box 22, Plainsboro, NJ 08536-0222
