**Ask a doctor before use if you have**

never had migraines diagnosed by a health professional

- Do not apply to broken or irritated skin
- **Do not apply to forehead or temples**
- **For external use only.** This product should not be used topically on children younger than 2 years of age, nor should it be applied on any mucus membranes of any age child or adult. Seek the advice of your Healthcare professional before using this product topically on children 2 to 12 years of age.
- **Avoid contact with eyes.** If gel gets into eyes or mucus membranes flush with cool water for 1-2 minutes.

**Keep out of reach of children.**

If swallowed, get medical help or contact a Poison Control Center right away.

**Stop use and consult a doctor if**

- condition worsens, or symptoms persist for more than 7 days or clear up and occur again within a few days
- redness is present
- excessive irritation of the skin occurs.

**If pregnant or breast-feeding,**

ask a health professional before use.

***Directions*****Adults and children over 12 years:**

- Remove cap
- For first application press down several times to prime actuator pump for use
- After actuator has been primed press and release pump once to dispense gel onto finger tips
- Apply to one side on back of neck and behind the ear, repeat for the other side, applying a single pump of product for each side
- For best results, apply as soon as you feel discomfort
- If after 30 minutes the symptoms still persist, reapply as needed, up to 4 times daily.

**Inactive Ingredients**

Carbopol polymer, ethanol (USP), pentylene glycol, silicone dioxide, triethanolamine, water (USP)

***Other Information***

Store at room temperature.
