Staples Instant Hand Sanitizer

Drug Facts

Active Ingredient	Purpose
Ethyl Alcohol 62 percent	Antiseptic

Uses

Instant hand sanitizer helps to reduce bacteria on the skin.

Recommended for repeated use.

Warnings

For external use only.

Flammable, keep away from fire or flame.

When using this product keep out of eyes.

In case of eye contact, immediately flush eyes with water and call a doctor.

Stop use and ask a doctor if irritation or redness develops.

Keep out of the reach of children.

As with all drug products, children under 6 years of ages should be supervised when using instant hand sanitizers. If swallowed, get medical help or contact a Poison Control Center right away.

Directions

Place a small amount into one hand, spread over both hands to wrist and rub into the skin until dry.

Other Information

The instant hand sanitizer container has a tamper evident perforated seal around the overcap. If the perforation is breached when purchased, tampering may have occurred.

Aminomethyl Propanol , Carbomer , Glycerin , Propylene, Glycol, Water.
