

**GETTIK HAIR REGROWTH TREATMENT- minoxidil 5% liquid**  
**GETTIK International LLC**

-----  
Minoxidil 5.0% w/v

Hair regrowth treatment for men

To regrow hair on the top of the scalp (vertex only, see pictures on side of carton)

**For external use only**

**For use by men only**

**Flammable:** Keep away from fire or flame

**Do not use if**

- you are a woman
- your amount of hair loss is different than that shown on the side of this carton or your hair loss is on the front of the scalp. Minoxidil Topical Solution, 5% is not intended for frontal baldness or receding hairline.
- you have no family history of hair loss
- your hair loss is sudden and/or patchy
- you do not know the reason for your hair loss
- you are under 18 years of age. Do not use on babies and children.
- your scalp is red, inflamed, infected, irritated, or painful
- you use other medicines on the scalp

**Ask a doctor before use if you have** heart disease

**When using this product**

- do not apply on other parts of the body
- avoid contact with the eyes. In case of accidental contact, rinse eyes with large amounts of cool tap water.
- some people have experienced changes in hair color and/or texture
- it takes time to regrow hair. Results may occur at 2 months with twice a day usage. For some men, you may need to use this product for at least 4 months before you see results.
- the amount of hair regrowth is different for each person. This product will not work for all men.

**Stop use and ask a doctor if**

- chest pain, rapid heartbeat, faintness, or dizziness occurs
- sudden, unexplained weight gain occurs
- your hands or feet swell
- scalp irritation or redness occurs
- unwanted facial hair growth occurs
- you do not see hair regrowth in 4 months

**May be harmful if used when pregnant or breast-feeding**

**Keep out of reach of children.**

If swallowed, get medical help or contact a Poison Control Center right away.

- apply one ML 2 times a day directly onto the scalp in the hair loss area
- using more or more often will not improve results
- continued use is necessary or hair loss will begin again
- see hair loss pictures on side of this carton
- before use read all information on carton and enclosed leaflet
- keep the carton, it contains important information
- hair growth has not been shown to last longer than 48 weeks in large clinical trials with continuous treatment with Minoxidil Topical Solution 5%
- in clinical studies with mostly white men aged 18-49 years with moderate degrees of hair loss, Minoxidil Topical Solution 5% provided more hair regrowth than Minoxidil Topical Solutions 2%
- store at controlled room temperature 20 degree to 25 degree C (68 degree to 77 degree F)

alcohol 30% v/v, propylene glycol 50% v/v, purified water
