

2.5 ACNE MED- benzoyl peroxide gel

Face Reality, Inc.

2.5 % Acne Med

Drug Facts

Active ingredient

Benzoyl Peroxide 2.5%

Purpose

Acne Treatment

Use

- for the treatment of acne

Warnings

For external use only

Do not use

- if you have very sensitive skin
- if you are sensitive to benzoyl peroxide

When using this product

- skin irritation and dryness is more likely to occur if you use another topical acne medication at the same time. If irritation occurs, only use one topical acne medication at a time.
- avoid unnecessary sun exposure and use a sunscreen
- avoid contact with eyes, lips and mouth
- avoid contact with hair and dyed fabrics, which may be bleached by this product
- skin irritation may occur, characterized by redness, burning, itching, peeling, or possibly swelling. Irritation may be reduced by using the product less frequently or in a lower concentration.

Stop use and ask a doctor if

- irritation becomes severe

Keep out of reach of children.

If swallowed, get medical help or contact Poison Control Center right away.

Directions

- clean the skin thoroughly before applying this product
- cover the entire affected area with a thin layer one or three times daily
- because excessive drying of the skin may occur, start with one application daily, then gradually increase to two or three times daily if needed or as directed by a doctor
- if bothersome dryness or peeling occurs, reduce application to once a day or every other day
- if going outside, apply sunscreen after using this product. If irritation or sensitivity develops, stop use of both products and ask a doctor.

Other information

- Store at room temperature. Keep away from heat or direct sunlight.

Inactive ingredients

Purified Water, Glycerin, Propylene Glycol, Carbomer, Sodium Hydroxide.
