SANITIZING WIPES

Use this product as a convenient way to clean and sanitize surfaces. Each pre-moistened disposable wipe decreases bacteria wherever you use it. No bottles, no sponges, no mess. Effective sanitizing has never been easier. Wiping small electrical appliances before use. Not recommended for bare wood surfaces. Do not use on dishes, glasses or utensils.

DIRECTION FOR USE: It is a violation of Federal law to use this product in a manner inconsistent with its label.

To Open Packaging: Open cap lid and pull up freely to lid to remove the entire cap from the container. Insert wipe at the center of the lid and do not cover of the wipe through opening to lid. DO NOT PUSHPINCH THROUGH OPENING. Flip cap lid. Pull sheet up slightly to side. Always keep lid securely shut between uses to prevent moisture loss.

To Clean: Use fresh wipe on surface. Repeat for additional stains. To Clean: Pre-clean surface. Use enough fresh wipes to thoroughly wet surface. Surface must remain wet for the entire contact time.

To Sanitize: Allow to remain wet for 10 seconds, allow surface to air dry. For surfaces that come in contact with food. Use only on hard, non-porous surfaces and rinse thoroughly with water. To Prevent the Growth of Mold and Mildew and Other Odors. Do not use on porous surfaces. Wipe surface and allow to remain wet for 3 minutes. Allow surface to air dry. Repeat applications in weekly intervals or when mold and mildew growth appears.

NOT INTENDED FOR PERSONAL HYGIENE. DO NOT FLUSH IN TOILET.

PRECAUTIONARY STATEMENTS: Hazard to Humans and Domestic Animals.

CAUTIONS: May cause eye irritation. Avoid contact with eyes. Wash hands after use.

STORAGE AND DISPOSAL: Store complete package in a cool, dry place in areas inaccessible to small children. Dispose of wipe in trash after use. Close lid between uses to retain moisture. Non-refillable container. Do not reuse or refill this container. Store in trash or after for recycling. Contains no phosphates. This container is made of 100% post-consumer recycled plastic.

FIRST AID: If in eyes, hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. Call a Poison Control Center or doctor for treatment advice.

CONTACT NUMBERS: See back panel for additional precautionary statements.
