

LANANA CREEK FARMS WOUND- alcohol, benzocaine, sodium propionate liquid
Animal Science Products, Inc.

Disclaimer: This drug has not been found by FDA to be safe and effective, and this labeling has not been approved by FDA. For further information about unapproved drugs, click [here](#).

Active Ingredient

Alcohol59%
Benzocaine.....1%
Sodium Propionate.....0.5%

Purpose

Provides soothing pain relief and antibacterial action for minor cuts and wounds on dogs.

Uses

Spray-on, no-lick liquid bandage for minor cuts and wounds on dogs.

Warnings

For external use only. Store at room temperature. Not for human use. Keep away from children and pets.

Directions

Shake well before use. For best results, clean and dry the wound and surrounding skin for good adhesion. Apply Heal Wound Spray with the spray tip approximately 4-6 inches from the wound, spraying to completely cover the wound and overlap onto surrounding healthy skin. Restrict animal access to allow the spray to dry to a thin film covering the wound. Do not wash off. Re-apply every other day or as needed to keep the wound sealed until satisfactory results are achieved.

Inactive Ingredients

Water, cellulose gum, triacetin, aloe vera, sodium propionate, balsam de peru, clove bud oil, White willow bark extract, denatonium benzoate.

Product label

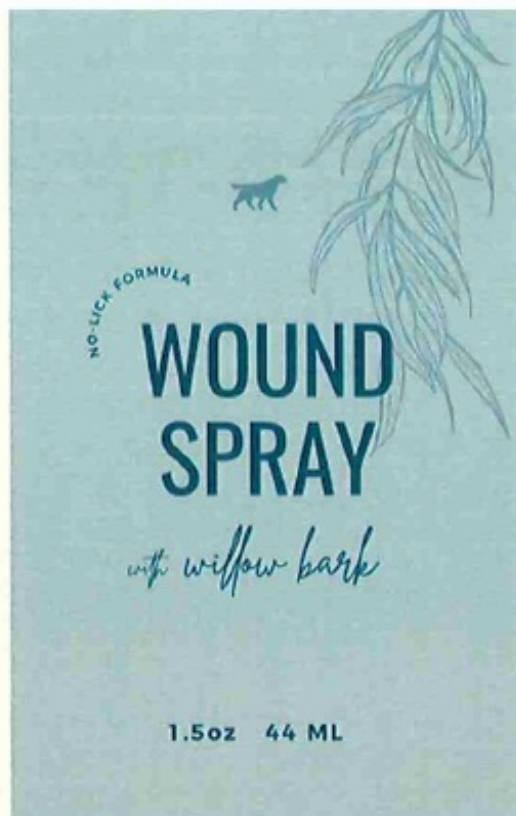

WARNINGS

For external use only. Store at room temperature. Not for human use. Keep out of reach of children and pets.
