-----

### **Pharmaskincare Acnecare Toner**

#### **Active Ingredient**

Salicylic Acid 1.0%

#### **Purpose**

Acne Treatment

#### **Warnings**

##### Warnings

- For external use only.
- When using this product : skin irritation and dryness is more likely to occur if you use another topical acne medication at the same time. If irritation occurs, only use one topical acne medication at a time.

#### **Directions**

Clean the skin thoroughly before applying this product. Cover the entire affected area with a thin layer and rinse thoroughly one to three times daily. Because excessive drying of the skin may occur, start with one application daily, then gradually increase to two or three times daily if needed or as directed by a doctor.

Massage Acnecare Toner onto cleansed, damp skin with a cotton ball or pad and gently pat over entire face and neck. Follow with Pharmaskincare Acnecare Dermacontrol Cream.

#### **Uses:**

For the treatment of acne.

#### **Inactive Ingredients:**

Water, Polysorbate 20, SD Alcohol 40-B, Sodium Citrate, Glycerin, Menthol, Aloe Barbadensis Leaf Extract, \*CO Glycerin, Panthenol, Citric Acid, Sea Salt (Dead Sea Salt), DMAE, Thiocetic Acid, Ubiquinone, Lactic Acid, Malic Acid, Malus Domestica Fruit Cell Culture Extract, Gluconic Acid, Ascorbic Acid (Vitamin C), Glycolic Acid, \*CO Salix Alba (Willow) Bark Extract, \*CO Hamamelis Virginiana (Witch Hazel) Extract, \*CO Avena Sativa (Oat) Kernel Extract, \*CO Pogostemon Cablin Leaf Extract, \*CO Calendula Officinalis Flower Extract, \*CO Chamomilla Recutita (Matricaria) Flower Extract, \*CO Citrus Limon (Lemon) Peel Extract, \*CO Humulus Lupulus (Hops) Extract, \*CO Lavandula Angustifolia (Lavender) Flower/Leaf/Stem Extract, \*CO Cucumis Sativus (Cucumber) Seed Extract, \*CO Camellia Sinensis Leaf Extract, \*CO Pyrus Malus (Apple) Fruit Extract, \*CO Spirulina Platensis Extract, Xanthan Gum, Tartaric Acid, Lecithin, Retinyl Palmitate (Vitamin A), Tocopheryl Acetate (Vitamin E), \*CO Melaleuca Alternifolia (Tea Tree) Leaf Oil, Sodium Hydroxide, Benzyl Alcohol, Dehydroacetic Acid

# Warning

Keep out of reach of children.

Manufactured by Pharmaskincare® San Valley, CA 91352 USA

Pharmaskincare® has been at the forefront of the beauty industry, its ground-breaking technology making way for an innovative and unique approach to addressing various skin conditions. Each collection is designed to fuse nature's potent restorative powers with scientifically advanced ingredients. Harnessing the benefits of certified organic botanical extracts, alpha hydroxy acids, advanced peptides, vitamins, and more, Pharmaskincare offers skin gentle and effective formulations that provide the best possible care for your skin. From adolescence to maturity, Pharmaskincare has designed products that will guide your skin through each stage.

Pharmaskincare® is committed to making products that are environmentally conscious and free of parabens, sulfates, dyes, mineral oils and lanolin.

**Pharmaskincare® Advanced Science® Acnecare Toner** is the second line of defense in the acne-fighting process. This unique, advanced formulation is made with salicylic acid, an exfoliator that gently removes excess oil, dirt, and makeup without irritating or drying the skin. Fortified with organic extracts, this toner balances, nourishes, and hydrates. For maximum results, use daily and follow with the Pharmaskincare Acnecare product line as needed.

The Pharmaskincare® Advanced Science® Acnecare collection addresses many of the systemic causes of acne. For decades, salicylic acid and benzoyl peroxide have been at the front line of treating blemishes and breakouts. Pharmaskincare has used these ingredients and taken them a step further by combining their powerful acne-fighting properties with nourishing and hydrating botanicals. The Acnecare collection effectively works to keep breakouts at bay without overly drying the skin, making way for a soothed, clear, and healthy complexion.
