

MANZATIN DIAPER RASH SKIN PROTECTANT- zinc oxide ointment
Laboratorios Zepol S.A.

Manzatin Diaper Rash Skin Protectant

Drug Facts

Active Ingredients

Zinc Oxide 18%

Purpose

Skin protectant

Uses:

Helps treat and prevent diaper rash. Protects chafed skin due to diaper rash and helps seal out wetness.

Warnings:

For external use only.

When using this product

- do not get into eyes.

Stop use and ask a doctor if

- condition worsens.
- symptoms last more than 7 days or clear up and occur again within a few days.

Keep out of reach of children.

If swallowed, get medical help or contact Poison Control Center right away.

Directions:

Change wet and soiled diapers promptly, cleanse the diaper area and allow to dry. Apply the cream liberally as often as necessary, with each diaper change, especially at bedtime or any time when exposure to wet diapers may be prolonged.

Other information:

Store in a fresh place preferably below 30°C(86°F).

Inactive ingredients:

Chamomile flower extract, Cod liver oil, in special protective lipod cream base, Corn starch.

Manzatin

Diaper Rash Ointment

Prevents and Relieves Diaper Rash

3.2 Oz (90g)

LOT:

EXPIRES:

EXTERNAL USE

Manzatin® is a medicated and hypoallergenic ointment designed to protect the skin and prevent irritation caused by urine and diaper chafing. It prevents and alleviates diaper rash in multiple ways and contains, in addition to its active ingredient (zinc oxide), other ingredients including chamomile flower extract and cod liver oil, a natural source of vitamins A and D. Its pH is balanced for a baby's skin. It is recommended to apply Manzatin at every diaper change, after proper cleaning. For topical use only.

Formula for every 100g: Active Ingredient: Zinc Oxide (18g). Other Ingredients: Chamomile Flower Extract, Vitamin E, Cornstarch, Cod Liver Oil in a suitable lipid base Q.S. 100g. Keep this and all medical products out of reach of children. Avoid contact with eyes. Store in a cool, dry location under 30°C (86° F).
Contraindications: Hypersensitivity to any ingredient.
