- on children under 12 years of age
- on wounds or damaged skin
- if you are taking anticoagulant medication

Ask a doctor before use

if there is redness over the affected area.

When using this product

- avoid contact with the eyes and mucous membranes
- do not bandage tightly

Stop and ask a doctor if

- skin redness or excessive irritation of the skin develops
- symptoms clear up and occur again within a few days
- condition worsens or if symptoms persist for more than 7 days

Keep out of reach of children.

If swallowed, get medical help or contact a Poison Control Center right away.

If pregnant or breast-feeding,

ask a health professional before use.

Directions

- use only as directed
- **adults and children 12 years of age and older:** apply to affected area not more than 3 or 4 times daily.
- avoid overuse on large areas of the skin
- wash hands thoroughly after application
- **children under 12 years of age:** consult a doctor.

Inactive Ingredients

beeswax, Butyrospermum parkii (shea) butter, Prunus amygdalus dulcis (sweet almond) oil, Rosmarinus officinalis (rosemary) extract, tocopherol (natural vitamin E)

Questions?

call 1-888-602-6380

Origins

Natural Camphor is found in the wood of the Camphor Laurel tree (Cinnamomum camphora), an evergreen species from Asia. Natural Menthol is a substance found in peppermint and in other mint oils. Natural Wintergreen Oil is extracted from the leaves of wintergreen plants such as the Eastern Teaberry (Gaultheria procumbens).

Indications

Earth's Care Pain Relieving Ointment is a powerful blend of three natural ingredients that provide soothing, penetrating relief from sore muscles, joint pain, backache and minor arthritis. Our proprietary formula features naturally-sourced Camphor, Menthol and Wintergreen Oil that together work as an effective analgesic without parabens or phthalates.

- No Preservatives
- No Animal Testing
- No Artificial Colors or Fragrances
- No Petrolatum

Triple Action Formula:

- Camphor
- Menthol
- Wintergreen Oil
