**Ask Doctor**

Before use ask a healthcare professional if you have any of the following:

Serious bleeding

Diabetes

Poor circulation

**When Using**

Do not store at temperatures above 120 degrees F

Intentional misuse by deliberately concentrating and inhaling the contents can be harmful or fatal

Stop use and ask a healthcare professional if  
Condition persists or gets worse  
Infection occurs  
Keep out of reach of children.  
If swallowed, get medical help or call a Poison Control Center right away.

### **Direction**

Clean and dry affected area.

Shake bottle well before use.

Wipe excess off brush

Apply a thin layer to a closed wound.

Let dry for 30 to 45 seconds.

Additional layers may be added once the previous layer has dried.

### **Other information**

Eco Bandage wears off naturally.

To remove: simply peel off, apply coconut/olive oil or apply more Eco Bandage and quickly wipe off.

Store at room temperature (68-77°F, 20-25°C), away from heat.

Cap bottle tightly.

The antiseptic may temporarily sting upon application if the wound is open.

### **Inactive ingredients**

amyl acetate, butyl acetate, USP castor oil, ethyl acetate, hypophosphorous acid, isopropanol, nitrocellulose, pigments, SD alcohol 3-C, SAIB.
