Sunscreen

Sunscreen

Sunscreen

Uses

- helps prevent sunburn
- If used as directed with other sun protection measures (see Directions), decreases the risk of skin cancer and early skin aging cause by the sun.

Warnings

For external use only.

Do not use on damaged or broken skin

Stop use and ask a doctor if rash occurs

When using this product keep out of eyes. Rinse with water to remove.

Keep out of reach of children. If swallowed, get medical help or contact a Poison Control Center right away.

Directions

- Apply liberally 15 minutes before sun exposure
- Use a water resistant sunscreen if swimming or sweating
- Reapply at least every 2 hours
- Children under 6 months: Ask a doctor
- **Sun Protection Measures.** Spending time in the sun increases your risk of skin cancer and early

skin aging. To decrease this risk, regularly use a sunscreen with a Broad Spectrum SPF value of 15 or higher and other sun protection measures including:

- limit time in the sun, especially from 10 a.m.-2 p.m.
- wear long-sleeved shirts, pants, hats and sunglasses

Other information

- Protect the product in this container from excessive heat and direct sunlight

Our CVS/pharmacy® Age Renewal line gives you concentrated skin treatments for use every day that help address the major signs of aging to provide healthier, younger-looking skin.

Repair, revitalize and restore the appearance of skin with **CVS/pharmacy® Age Renewal Firming & Hydrating Moisturizer with Broad Spectrum SPF 30 Sunscreen**.

- **Hydrating & Firming Formula:** Reveals vibrant, revitalized skin with visibly fewer wrinkles in just 14 days.
- **Retinol SR:** Delivers wrinkle-smoothing retinol throughout the day with our patented Sustained Release technology, reducing the appearance of age spots while helping skin feel firmer and more resilient.
- **Broad Spectrum SPF 30 Sunscreen:** Helps protect skin from the sun's damaging rays.
- **Multivitamins & Moisturizers:** Help plump fine lines for more hydrated skin and a rejuvenated appearance.

Clinically proven to deliver results:

- 100%** Saw improved skin tone and smoother skin
- 90%** Had reduced appearance of fine lines
- 90%** Saw visible age spots fade
- 75%** Observed significant improvement in overall appearance, including deep wrinkles

WARNING: In the beginning, you may experience mild tingling, warming, flaking and/or redness. This is a sign that the product is working and is a normal reaction. If irritation persists or is bothersome, reduce use to every other day until your skin adjusts.
