

SKINUVA SCAR PLUS- zinc oxide cream
MD Medical Designs, Inc.

Skinuva® Scar plus

Drug Facts

<i>Active ingredients</i>	<i>Purpose*</i>
Zinc Oxide 10%	Sunscreen
Dosage Form	Cream

* Data on file

Uses

Helps prevent sunburn. If used as directed with other sun protection measures, decreases the risk of skin cancer and early skin aging caused by the sun.

Warnings

For external use only.

Do not use on damaged/broken skin or open wounds.

When using this product keep out of eyes. If contact occurs, rinse eyes thoroughly with plenty of water to remove. If swallowed immediately seek medical advice and show container or label.

Stop use and ask a doctor if rash or irritation occurs.

Keep out of reach of children.

Directions

Make sure the affected area is clean and dry. Apply a thin film over the affected area twice a day, morning and night. Wait 15 minutes before sun exposure. Children under 6 months of age: Ask a doctor. See insert for detailed instructions.

Other information

Do not use if inner seal is broken. Store at room temperature. Avoid excessive heat.
