-----  
**Drug Facts**

**Active Ingredient**

Olive Extract (oleuropein)	3X HPUS
Hydrastis Canadensis	5X HPUS
Borax (Sodium Borate)	3X HPUS
Calendula Officinalis	1X HPUS

**Purpose**

Anti-microbial and Healing agent

**Uses**

This product is intended to relieve symptoms associated with known yeast infections, including fishy odor, excess discharge, irritation and burning while urinating.

**Warnings**

- For vaginal use only.
- Do not use if you have never had vaginal infection diagnosed by a doctor.
- Ointment may damage condoms and diaphragms and cause them to fail.

**Ask a doctor before use if you have:**

- vaginal itching and discomfort for the first time
- lower abdominal, back or shoulder pain, fever, chills, nausea, vomiting or foul-smelling vaginal discharge. You may have a more serious condition.
- bacterial vaginosis often (such as once a month or 3 in 6 months). You could be pregnant or have a serious underlying medical cause for your symptoms, including diabetes or a weakened immune system.
- been exposed to the human immunodeficiency virus (HIV) that causes AIDS.
- Do not use if you are allergic to any ingredient in this product

**When using this product**

- do not use tampons, douches, spermicides or other vaginal products. Condoms and diaphragms may be damaged and fail to prevent pregnancy or sexually transmitted infections (STIs)
- do not have vaginal intercourse
- mild increase in vaginal burning, itching, or irritation may occur

- if you do not get relief, consult a doctor

### **Stop use and ask a doctor if**

- symptoms do not get better in 3 days
- symptoms last more than 7 days
- you get a rash or hives, abdominal pain, fever, chills, nausea or vomiting
- If pregnant or breast-feeding ask a healthcare professional before use.
- Keep out of the reach of children If swallowed, get medical help or contact Poison Control Center right away

### **Directions**

For individuals aged 12 and older:

- Utilize this product before bedtime; refer to the enclosed instructions for comprehensive guidance.
- Place a panty liner in your underwear to prevent any potential leakage.
- While lying in bed, gently insert the applicator into the vagina and administer the ointment. Stay in a reclined position to minimize the risk of leakage.
- Dispose of the applicator after a single use.

**Children under 12 years:** Ask a doctor

### **Inactive Ingredients**

Chitosan, povidone-iodine, Sodium hyaluronate, Chamomile Extract, Radix Curcumae extract, Rhizoma Sparganil extract, Curcuma zedoary extract, Kuh-seng extract, Oxygenated olive oil

### **Other information**

- Avoid usage if the applicator wrapper is damaged, opened, or not fully sealed.
- Do not use if the seal over the tube opening has been pierced.
- Store between 68°-77°F (20°C - 25°C). If the product liquefies, refrigerate it for 10 minutes to regain its thickness

Please note that this treatment consists of 7 doses. While many women may not experience complete symptom relief within just two days, most will notice some improvement in that timeframe and should expect complete relief within seven days.
