-----

**Ped X™ Callus Removers**

***Drug Facts***

**Active ingredient**

Salicylic acid 40%

**Purpose**

Callus remover

**Uses**

- for the removal of calluses
- relieves pain by removing calluses

**Warnings**

**For external use only**

**Do not use**

- on irritated skin or any area that is infected or reddened
- if you are a diabetic
- if you have poor blood circulation.

**Stop use and ask a doctor if**

- discomfort persists.

**Keep out of reach of children.** If swallowed, get medical help or contact a Poison Control Center right away.

**Directions**

- wash affected area and dry thoroughly.
- if necessary, cut medicated disk to fit callus before applying.
- after 48 hours remove the medicated disk.
- repeat this procedure every 48 hours as needed for up to 14 days (until callus is removed).
- may soak callus in warm water for 5 minutes to assist in removal.

**Other information**

- store between 59°F-86°F (15°C-30°C)

**Inactive ingredient**

Vinyl acetate.
