

API PIMAFIX - pimenta racemosa liquid
MARS FISHCARE NORTH AMERICA, INC.

Disclaimer: This drug has not been found by FDA to be safe and effective, and this labeling has not been approved by FDA. For further information about unapproved drugs, [click here](#).

Drug Label

BENEFITS:

A safe, all natural way to treat fungal fish infections.

Also treats internal and external bacterial infections.

WHEN TO USE:

PIMAFIX treats:

Fungus or Cottony Growth

Mouth and Body Fungus

Reddening of Fins and Body

DIRECTIONS:

Use the API Dosing Cap on the Bottle:

Shake Well. Remove activated carbon, if possible.

Dose:

Add 5 ml per 10 U.S. gallons (38 L) of aquarium water.

Dose daily after 7 days. After 7 days, make a 25% water change. Treatment can be continued if necessary.

ACTIVE INGREDIENT: Pimenta racemosa 1.0%

See inside of label for more information.

	FUNGAL INFECTION	BACTERIAL INFECTION	OPEN WOUND
Primary Treatment	PIMAFIX	MELAFIX	MELAFIX
Secondary Treatment		PIMAFIX	

TIPS:

Use with API MELAFIX to synergistically treat a broad range of infections. PIMAFIX can be used with all API products, including medications and water conditioners. Laboratory studies proved that PIMAFIX is safe for even the most delicate fish species, including tetras, discus fry and scaleless fish like clown loaches. PIMAFIX can be used with all marine fish. PIMAFIX has been tested and found to be safe in reef aquariums containing invertebrates, such as live corals and anemones. Treating with PIMAFIX will not harm the biological filter in freshwater or saltwater aquariums or ponds. PIMAFIX is harmless to live aquarium plants. We recommend turning off the protein skimmer and UV sterilizer when treating with PIMAFIX. In saltwater aquariums with no filter, a slight haze may form. Make a 25% water change if necessary.

Warning:

This product contains a chemical known to the State of California to cause cancer or birth defects or other reproductive harm. Not for human consumption or for the treatment of fish intended for human consumption. Keep out of reach of children. For aquarium use only.
