Oral Saline Laxative Cherry

Drug Facts

Active ingredients (in each tablespoon)	Purpose
Dibasic sodium phosphate 1.4 g	Saline laxative
Monobasic sodium phosphate 6.2 g	Saline laxative

Use

- for relief of occasional constipation

Warnings

Dosage warning

Taking more than the recommended dose in 24 hour can be harmful.

Do not use

- if you have a previous kidney problem, congestive heart failure, impaired renal functions, decreased intervascular volume, dehydration, uncorrected electrolyte abnormalities
- in children under 5 years old
- for bowel cleansing

Ask a doctor before use if you have

- abdominal pain, nausea, or vomiting
- kidney disease
- heart problems
- a sudden change in bowel habits lasting more than 2 weeks
- already used a laxative for more than a week
- dehydration

Ask a doctor or pharmacist before use if you are

- on a sodium restricted diet
- under a doctor's care for any medical condition
- taking any other prescription or non-prescription medications. Take this product two or more hours before or after other drugs. Laxatives may affect how other drugs work.

Stop use and ask a doctor if you

- have any rectal bleeding
- do not have a bowel movement within 6 hours
- have any symptoms that your body is losing more fluid than you are drinking
- have early symptoms of dehydration including
 - thirstiness
 - dizziness
 - urinating less often than normal

- vomiting

These symptoms may indicate a serious condition.

If pregnant or breast-feeding, ask a health professional before use.

Keep out of reach of children. In case of overdose, get medical help or contact a Poison Control Center immediately 1-800-222-1222.

Directions

- **Use as a laxative for relief of occasional constipation**
- **dilute dose in the table below** with one glass (8 fl. oz.) of cool water. Drink, then follow with at least one additional glass (8 fl. oz.) of cool water. **There is significant loss of liquid when using this product.** To prevent dehydration, drink plenty of clear liquid after use.
- **Do not use for bowel cleansing.**
- **Do not take more unless directed by a doctor. See Warnings. There are three teaspoons in one tablespoon.**

Ages (years)	Dosage	Maximum Dose
12 & older	3 Teaspoons	6 or 9 Teaspoons*
10 & 11	3 Teaspoons*	3 Teaspoons*
5 to 9	1 ½ Teaspoons*	1 ½ Teaspoons*
Under 5	Do Not Use	Do Not Use

* SINGLE DAILY DOSAGE. DO NOT TAKE MORE OF THIS PRODUCT IN A 24-HOUR PERIOD

Other information

- **Each Teaspoon contains:** sodium 549 mg
- Saline laxatives increase retention of water in the intestines, promoting bowel movements.
- this product generally produces a bowel movement in 30 minutes to 6 hours
- this product is sugar free
- do not freeze
- store at 15 - 30°C (59 - 86F°)

Inactive ingredients

Cherry flavor, glycerin, purified water, saccharin sodium, sodium benzoate
