ONE-STEP-SPRAY-175mL.jpg

ONE STEP KILLS 99.9% OF MOST COMMON DISEASE-CAUSING GERMS WITHIN SECONDS! One Step Sanitizer Spray effectively sanitizes hands and surfaces by killing harmful germs on contact, making it the perfect daily sanitizing spray to use at home or on-the-go. **DIRECTIONS:** Spray liberally on hands and rub thoroughly until dry, working product between fingers, back of hands and wrists. For surfaces, spray liberally and allow surface to remain wet for 10 minutes. Wipe thoroughly with a clean cloth or allow to dry completely. **DO NOT DILUTE.**

WARNING: For external use only. Keep out of reach of children. Not recommended for use on fabric or porous surfaces. Flammable. Keep away from open flame and sources of heat. Avoid contact with eyes. Should this occur, flush eyes with water. If irritation develops, discontinue use and contact a physician. If swallowed, contact a physician. Do not store above 40°C/110°F.

ONE STEP TUE EN QUELQUES SECONDES 99,9% DE LA PLUPART DES GERMES COMMUNS QUI CAUSENT DES MALADIES! Le vaporisateur désinfectant One Step désinfecte efficacement les mains et les surfaces en tuant les germes nocifs au contact, ce qui en fait le parfait vaporisateur désinfectant quotidien pour utiliser à la maison ou lors des déplacements. **MODE D'EMPLOI:** Vaporiser généreusement sur les mains et bien frotter jusqu'à ce que celles-ci soient sèches. S'assurer d'appliquer aussi le produit entre les doigts, le dos des mains et les poignets. Pour l'application sur les surfaces, vaporiser abondamment le produit sur une surface et bien l'essuyer à l'aide d'un chiffon propre ou encore la laisser sécher complètement. **NE DILUEZ PAS LE PRODUIT.** Laissez sur la surface humide pour une durée de 10 minutes.

AVERTISSEMENT: Pour usage externe seulement. Tenir hors de la portée des enfants. Il n'est pas recommandé d'utiliser ce produit sur les tissus ou les surfaces poreuses. Inflammable. Tenir à l'écart des flammes nues et sources de chaleur. Éviter le contact avec les yeux. En cas de contact avec les yeux, rincer ceux-ci à l'eau. En cas d'irritation, cesser l'utilisation et consulter un médecin. En cas d'ingestion, communiquer avec un professionnel de la santé. Ne pas conserver à une température supérieure à 40°C/110°F.
