ultra sensitive faceblock spf 25

Recommended for environmentally-sensitized skin.

This tinted and richly emollient moisturizer combines a chemical-free sunscreen with a light wash of color to defend even the most dry and sensitive skin conditions from exposure to daylight. Titanium Dioxide reflects both UVA and UVB rays, while rich conditioning agents and vitamins A, C and E create a shield against environmental drying and irritation. Soothing Grape Seed and Green Tea extracts help to further calm the skin. Contains no artificial fragrance or color.

Hydratant* avec écran solaire
Recommandé pour les peaux sensibles aux agressions de l'environnement. Écran solaire physique émollient teinté qui protège les peaux les plus sensibles contre les méfaits du soleil et la déshydratation.

Feuchtigkeitspflege mit Sonnenschutz Für umweltsensibilisierte Hautzustände. Diese getönte Sonnencreme mit physikalischem UV-Filter und intensiver Pflegewirkung macht die Haut besonders zart und schützt auch extrem empfindliche Haut gegen UV-Strahlen und Austrocknung.

Hidratante con protector solar
Recomendado para pieles sensibilizadas por el medio ambiente. Protector solar físico coloreado y emoliente, diseñado para proteger los tipos de piel más sensibles frente a la exposición solar y la deshidratación.

Hidratante con protezione solare
Prodotto consigliato per la pelle sensibilizzata da fattori ambientali.
