Packaging

The image shows the packaging for Suave dryspray powder. The top left features the 'new Suave' logo in a blue banner, with 'dryspray INSTANTLY DRY' and '(48 HOUR) protection' below it. A large illustration of a pink and white floral petal is on the left. The top right shows the 'Suave' logo in a blue banner, with 'dryspray GOES ON INSTANTLY DRY' and 'powder' in a pink banner below. Two small illustrations show a hand shaking the can and a hand spraying it on an underarm, with instructions: 'Shake well before every use' and 'Hold 6 inches from skin. Spray on underarm to feel freshness with beautiful fragrance'. A 'Drug Facts' table is on the right, listing the active ingredient as Aluminum Chlorohydrate (23.3%) for anti-perspirant purposes. It includes uses, warnings (flammable, avoid eyes, etc.), and directions for underarm use only. Inactive ingredients are listed at the bottom left of the table. A 'Questions?' section provides the toll-free number. The Unilever logo and distribution information are at the bottom center, and a barcode is on the bottom right.
