(1) Certified Organic Ingredient

Helps prevents sunburns. If used as directed with other sun protection measures, decreases risk of skin cancer and early skin aging caused by sun exposure. Skin Protection Measures: Spending time in the sun increases your risk of skin cancer and early skin aging. To decrease risk, regularly use sunscreen with Broad Spectrum SPF 15 or higher and other protective measures including: limit time in sun, especially from 10am to 2pm, and wear long sleeved shirts, pants, hats and sunglasses.

Your skin's secret to self defense
 Don't be entranced by the sun's daily assault on your skin. This lightweight lotion, packed with rich botanical emollients, provides daily broad-spectrum sunscreen protection and helps moisturize so your skin stays naturally soft. A mix of aloe vera, green tea and chamomile extracts, plus a hefty amount of antioxidants and alpha hydroxy acids, nourish and replenish skin on contact while encouraging skin rejuvenation. Richly hydrating and hypo-allergenic, this invisible body guard absorbs so quickly you'll forget it's there. Being is on!
