Probizen is an orally administered prescription probiotic formulation for the clinical dietary management of suboptimal nutritional status in patients where advanced supplementation is required and nutritional supplementation in physiologically stressful conditions for maintenance of good health is needed.

Probizen should be administered under the supervision of a licensed medical practitioner.

Probizen is manufactured in accordance with Current Good Manufacturing Practice for foods, using ingredients that have been approved by the U.S. Food and Drug Administration (FDA) as food additives or are Generally Recognized as Safe (GRAS) for their intended use.

DOSAGE

Take one (1) capsule once to twice daily preferably with meals or as directed by medical practitioner.

If you are pregnant or nursing, ask a healthcare professional.

Probizen should be administered under the supervision of a licensed medical practitioner.

SAFE HANDLING

This product is contraindicated in patients with a known hypersensitivity to any of the ingredients.

Probizen should only be used under the direction and supervision of a licensed medical practitioner.

WARNING: Children under 18, pregnant or nursing women, and individuals with known medical conditions should consult a physician before using this or any dietary supplement.

In case of accidental overdoses, call a doctor or poison control center immediately.

KEEP OUT OF REACH OF CHILDREN

STORAGE

Store at 20°-25°C (68°-77°F); excursions permitted to 15°-30°C (59°-86°F).
