

SEYTU SPOT- salicylic acid gel
Omnilife USA, Inc.

SEYTÚ® Spot Gel

Active Ingredient

Salicylic Acid 2.0%

Purpose

Acne Treatment Gel

Uses

- For the treatment of acne
- Reduce the severity of new acne pimples, blackheads, or whiteheads

Warnings

- **For external use only**
- If experience skin irritation or prolonged stinging, stop using the product and consult your physician

When using this product

- skin irritation and dryness is more likely to occur if you use another topical acne medication at the same time. If irritation occurs, only use one topical acne medication at a time
- Follow the use instructions on the label
- Do not exceed the recommended applications

Keep out of reach of children.

- If swallowed, get medical help or contact a poison control center right away. Avoid contact with eyes. If contact occurs, flush thoroughly with water.

Directions

- Clean the skin thoroughly before applying this product
- Cover the entire affected area with a thin layer one to three times daily
- Because excessive drying of the skin may occur, start with one application daily, then gradually increase to two or three times daily if needed or as directed by a doctor
- If bothersome dryness or peeling occurs, reduce application to once a day or every other day

Other Information

Do not use if the security seal has been broken
