Sennosides USP 15mg

sugar, partially hydrogenated palm kernel and cotton seed oils, non-fat dry milk, cocoa, milk, glyceryl lacto esters of fatty acids, soy lecithin, cocoa butter.

adults and children 12 years of age and over	chew 2 pieces once or twice daily
children 6 to under 12 years of age	chew 1 piece once or twice daily
children under 6 years of age	ask a doctor

- * relieves occasional constipation (irregularity)
- * generally produces bowel movement in 6 to 12 hours

Do not use laxative products when abdominal pain, nausea or vomiting are present unless directed by a doctor.

Ask a doctor before use if you have noticed a sudden change in bowel habits that persists over a period of 2 weeks.

Ask a doctor or Pharmacist before use if you are taking any other drug. Laxatives may affect how other drugs work. Take this product 2 or more hours before or after other drugs.

When using this product * do not use for a period longer than 1 week.

Stop use and ask a doctor if * rectal bleeding or failure to have a bowel movement occur after use of a laxative. These may be signs of a serious condition.

If pregnant or breast-feeding, ask a health professional before use.

Keep out of reach of children. In case of accidental overdose, get medical help or contact a Poison Control Center right away. Prompt medical attention is critical for adults as well as for children even if you do not notice any signs or symptoms.

In case of accidental overdose, get medical help or contact a Poison Control Center right away. Prompt medical attention is critical for adults as well as for children even if you do not notice any signs or symptoms.

Stimulant laxative
