Description:

Nutrivio Capsules are clear capsules in plastic bottles of 30 ct.

85622-0012-30

Reserved for Professional Recommendation

Nutrivio Multivitamin Capsules are an orally administered prescription vitamin to provide significant amounts of Vitamins B6, B12, C, riboflavin, niacinamide, thiamine monoitrate, and folate to supplement the diet, and to help assure that nutritional deficiencies of these vitamins will not develop.

Nutrivio Multivitamin Capsules should be administered under the supervision of a licensed medical practitioner.

This listed product is not a National Drug Code, but instead has merely been formatted to comply with standard industry practice for pharmacy and insurance computer systems.

These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure or prevent any disease.

All prescriptions using this product shall be pursuant to state statutes as applicable. This is not an Orange Book product. This product may be administered only under a physician's supervision. There are no implied or explicit claims on therapeutic equivalence.

Manufactured for:

Blue Heron Pharmaceuticals

Lutz, FL 33559

Warnings:

This product is contraindicated in patients with a known hypersensitivity to any of the ingredients.

Nutrivio Multivitamin Capsules should only be used under the direction and supervision of a licensed medical practitioner. Use with caution in patients that may have a medical condition, are pregnant, lactating, trying to conceive, under the age of 18, or taking medications.

These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure, or prevent any disease.

Dosage:

Usual adult dose is 1 capsule by mouth daily once daily, or as prescribed by a licensed medical practitioner.

Precautions:

CONTRAINDICATIONS

This product is contraindicated in patients with known hypersensitivity to any of the ingredients.

PRECAUTIONS

This product is contraindicated in patients with a known hypersensitivity to any of the ingredients.

ADVERSE REACTIONS

Allergic sensitizations have been reported following oral administration of folic acid. Consult your physician immediately if adverse side effects occur.

KEEP OUT OF THE REACH OF CHILDREN.

Storage:

Store at 20° to 25°C (68° to 77°F; excursions permitted to 15° to 30°C (59° to 86°F) [See USP Controlled Room Temperature]

Label:

Dosage: Usual adult dose is one capsule daily, or as prescribed by a licensed medical practitioner.

Nutrivio should be administered under the supervision of a licensed medical practitioner.
