ACNE RELIEF CALMING TREATMENT & HYDRATOR STEP 2 - DAY

Drug Facts

Active Ingredient

Salicylic Acid 0.5%

Purpose

Acne Treatment

Use

- For the treatment of acne.

Warnings

- **For external use only.**
- **When Using This Product** Skin irritation and dryness are more likely to occur if you use another topical acne medication at the same time.
- If irritation occurs, only use one topical acne medication at a time.
- **Keep out of reach of children.** If swallowed, get medical help or contact a Poison Control Center right away.

Directions

- Shake well. Apply a thin, even layer to skin in the morning. For best results, use after cleansing with **ACNE RELIEF Gentle & Soothing Cleanser**.
- Clean the skin thoroughly before applying this product.
- Cover the entire affected area with a thin layer one to three times daily.
- Because excessive drying of the skin may occur, start with one application daily, then gradually increase to two or three times daily if needed or as directed by a doctor.
- If bothersome dryness or peeling occurs, reduce application to once a day or every other day.
- **Sensitivity Test for a New User** Apply product sparingly to one or two small affected areas during the first 3 days. If no discomfort occurs, follow the directions stated above.

Inactive Ingredients Water/Aqua/Eau, SD Alcohol 40-B, Glycerin, C12-15 Alkyl Lactate, PVP, Dimethicone, Polysorbate 20, Citrulline, Squalane, Lactic Acid, Succinic Acid, Polyacrylamide, Dimethicone/Vinyl Dimethicone Crosspolymer, C13-14 Isoparaffin, Laureth-7, Phenoxyethanol, Sodium Benzoate, Potassium Sorbate

ACNE RELIEF

Calming Treatment & Hydrator

Nourishes, hydrates & visibly
reduces redness

STEP 2 DAY

Perricone MD

ACNE RELIEF

90 DAY SUPPLY

Lactic & Succinic Acids,
Citrulline, Squalane

e 59 mL / 2 fl oz

KEY INGREDIENTS

Lactic & Succinic Acids: Attack Acne-Causing Bacteria These short-chain fatty acids help quickly shrink blemishes by working alongside salicylic acid to attack acne-causing bacteria for a healthier skin microbiome. They also provide gentle yet effective exfoliation for smoother, more even-looking skin.

Citrulline: Fight Irritation & Visibly Reduce Redness First discovered in watermelon, this alpha-amino acid visibly calms skin for a clearer, more even-looking complexion. Nourishing & soothing, it is an ideal way to counteract the irritating effects of anti-acne ingredients.

Squalane: Hydrate & Nourish Found naturally in the human body & derived from olive oil, squalane hydrates without making skin look or feel greasy. This lightweight hydration is ideal for oil & acne-prone skin as it helps maintain optimal hydration without clogging pores or causing blemishes.

Perricone MD **ACNE RELIEF**
Prebiotic Acne Therapy is a
simple, comprehensive system
that works with your surface

skin's natural microbiome to safely, gently & effectively treat & prevent the most troublesome acne, while restoring & maintaining a healthy skin balance, for clearer, blemish-free skin. This powerful 2-step regimen is clinically proven to be non-irritating & will not strip or over-dry skin.

The Calming Treatment & Hydrator is Step 2 in your day or morning regimen, after cleansing, The lightweight lotion glides onto skin to gently kill acne-causing bacteria, while nourishing with essential hydration. Lactic & succinic acids support a healthy surface skin microbiome for a clearer, more radiant complexion, while citrulline & squalane fight irritation, nourish, hydrate, soothe & visibly reduce redness.
