What is Scalp Psoriasis?

Scalp psoriasis is a chronic inflammatory condition that comes and goes. Symptoms may include irritation, itching, redness, and flaking.

How does Nizoral Psoriasis Shampoo & Conditioner work?

Nizoral contains maximum strength medicine to relieve and help prevent scalp psoriasis symptoms while leaving hair clean and conditioned. The special formula contains tea tree oil, green tea and vitamins E, C and B5 - plus it's free of artificial fragrances, preservatives, and dyes that may irritate skin.

Read all information on this packaging and keep for future reference.

Before use, read all label information. If you have a drug reaction, contact a doctor and report it by calling:
