UDDERDYNE

7508

NDC: 57906-508

Iodine Udder Wash

Contains 1.75% available Iodine* and Phosphoric Acid

*From a nonionic surfactant iodine complex.

Aids in reducing the spread of mastitis-causing organisms

DIRECTIONS FOR USE:

FOR USE AS AN UDDER WASH:

NOTE: The laws in some states require that the sanitizing solution remain in contact with the surface for two minutes. Follow the recommendations of your health department.

Not to be used as a teat dip. Always use fresh solution. Prepare a wash solution using 1 ounce of UDDERDYNE[®] to each 5 gallons of lukewarm water (100° F). This solution provides 25 ppm Iodine. For a 50 ppm titratable Iodine solution, blend 1 oz. of UDDERDYNE[®] to 2 1/2 gallons of water. Dip a single service paper or cloth towel into wash solution and wash teats to the base of the udder. Forestrip. Dry teat with individual paper or cloth towel. Attach milker unit. Prepare a fresh solution if wash solution fades noticeably or becomes diluted or soiled.

STORAGE AND DISPOSAL:

Store locked up. Store in a well-ventilated place. Keep container tightly closed. Dispose of contents/container to an approved waste disposal plant.

KEEP OUT OF REACH OF CHILDREN

!DANGER

NOT FOR HUMAN USE

HAZARDS STATEMENTS:

Causes severe skin burns and eye damage. May cause respiratory irritation. May cause drowsiness or dizziness. May be corrosive to metals. Do not breathe dust/fume/gas/mist/vapor/spray. Wash face, hands and any exposed skin thoroughly after handling. Wear protective gloves/protective clothing/eye protection/face protection. Use only outdoors or in a well-ventilated area. Harmful to aquatic life.

Harmful if swallowed. Swallowing product can cause irritation to throat and stomach.

Do not mix products containing Chlorine. Deadly Chlorine gas will form immediately.

FIRST AID:

If in Eyes: Rinse cautiously with water for several minutes. Remove contact lenses, if present, and easy to do. Continue rinsing. Immediately call **Poison Control Center** or doctor/physician.

If on Skin (on hair): Remove/Take off immediately all contaminated clothing. Rinse skin with water/shower. Wash contaminated clothing before reuse.

If Inhaled: Remove victim to fresh air and keep at rest in a position comfortable for breathing. Immediately call a **Poison Center** or doctor/physician.

If Swallowed: Rinse mouth. **Do Not** induce vomiting. Immediately call a **POISON CENTER** or doctor/physician.

UN3264

Corrosive liquid, acidic, inorganic, N.O.S. (Phosphoric Acid), 8,PGII

Read and understand all label instructions before using this product. Additional information on Safety Data Sheet (SDS).
