Biorhythm Co., LTD

Disclaimer: This drug has not been found by FDA to be safe and effective, and this labeling has not been approved by FDA. For further information about unapproved drugs, click here.

lactobacillus plantarum

polydextrose, maltodextrin, corn starch, etc

Kimchi Lactobacillus is made to induce the proliferation of intestinal-beneficial bacteria, the inhibition of harmful bacteria and regular bowel movements, and to help immunity by intestinal absorption and normal cell division. It helps to improve eye health.

Lactobacillus plantarum K-1 probiotics also relieve and reduce constipation, enteritis, rhinitis, vaginitis, atopic dermatitis, acne, liver spots, and freckles. Biorhythm guarantees quality and satisfaction.

Keep out of reach of infants and children

Do not to store in a place with high/low temperature and exposed to direct sunlight

Keep out of reach of children.

take 1.5g per day

for oral use only
