

MG217 PSORIASIS THERAPEUTIC SCALP TREATMENT- coal tar shampoo
Wisconsin Pharmacal Company

Disclaimer: Most OTC drugs are not reviewed and approved by FDA, however they may be marketed if they comply with applicable regulations and policies. FDA has not evaluated whether this product complies.

Drug Facts

Active Ingredient

Coal Tar 3%

(from Coal Tar Topical Solution, USP 20%)

Purpose

Psoriasis, Seborrheic Dermatitis, Dandruff Treatment

Uses For the temporary relief of these symptoms associated with psoriasis, seborrheic dermatitis or dandruff

- itching
- scaling
- flaking
- redness
- irritation of the scalp.

Helps prevent recurrence.

Warnings

For external use only.

Ask doctor before use

if condition covers a large area of the body.

When using this product

- avoid contact with the eyes. If contact occurs, rinse eyes thoroughly with water.
- use caution in exposing skin to sunlight. It may increase your tendency to sunburn for up to 24 hours after application.
- do not use with other forms of psoriasis therapy such as ultraviolet radiation or prescription drugs unless directed by a physician.
- do not use for prolonged periods without consulting a physician.

Stop use and ask a doctor if

- condition worsens.
- condition does not improve after regular use of this product as directed.

Keep out of reach of children.

If swallowed, get medical help or contact a Poison Control Center immediately.

WARNING This product can expose you to chemicals including Coal Tar, which is known to the State of California to cause cancer.

For more information go to www.P65Warnings.ca.gov

Directions

- shake well before using.
- wet hair then massage liberal amount of MG217 into the scalp and leave on for several minutes. Rinse thoroughly.
- for best results, use at least twice a week or as directed by a physician.

Inactive ingredients

The image shows a flat layout of the MG217 PSORIASIS SCALP SOLUTIONS product packaging. At the top is a blue header with a white outline of a bag handle. Below this is a dark blue banner with the text "Doctor Recommended*" and "MG217® PSORIASIS SCALP SOLUTIONS". The main body of the layout is divided into three vertical panels. The left panel contains a "Drug Facts" box with sections for Active ingredient, Purpose, Uses, Warnings, and Stop use and ask a doctor if. The middle panel features the "MG217" logo and text: "Doctor Recommended*", "scalp treatment", "MG217® PSORIASIS", "maximum strength 3% coal tar formula", "therapeutic scalp treatment", "massage in & rinse out to treat itchy, flakey scalp", and "conditions scalp to help prevent". The right panel also features the "MG217" logo and text: "Doctor Recommended*", "MG217® PSORIASIS SCALP SOLUTIONS", "For optimal results, consider a rotational regimen of MG217® SCALP SOLUTIONS", and a circular diagram showing a rotational regimen of three products: "MG217® Coal Tar Conditioning Shampoo or Scalp Treatment", "MG217® Sal-Acid Shampoo + Conditioner", and "Non-Medicated Shampoo". A legend at the bottom right explains the benefits of the Sal-Acid Shampoo + Conditioner: "Softens & lifts scales", "Removes build-up", and "Prepares scalp for optimal response to other treatments".
