-----

**Ingredients:**

Sulfurated Lime Solution.....(97.8%)

Inert Ingredients.....2.2%

**Description:**

Lime Sulfur Dip is a sulfur concentrate for treatment of non specific dermatitis and parasites on dogs, cats, puppies and kittens who are responsive to lime sulfur.

**Dilution:**

Shake concentrate well. Add 4 oz of concentrate to 1 gallon of water. After adding concentrate to water, mix well. For chronic or resistant cases, concentrate may be diluted up to 8 oz. per gallon of water.

**Directions**

Wear gloves and safety glasses. Carefully pour diluted dip over the affected areas. Alternatively, sponge or dip the affected areas. Re apply every 5 to 7 days or as directed by your veterinarian.

Do not rinse or blow dry the animal. For topic use only. Do not allow animal to ingest and ensure it does not enter body cavities. Apply a protective collar until dry and to prevent ingestion.

**Storage:**

Store at controlled room temperature. If a crust or precipitate forms, immerse closed container in warm water for 15 minutes, shake well, and use according to direction. Do not reuse empty container.

**Warning:**

Must be diluted before use.

Keep out of reach of children.

May stain skin, light colored animals, clothing and porous (i.e. cement) surfaces. Will change the color of jewelry.

Use in well ventilated area.

Wear safety glasses.

**Caution:**

For topical use only on dogs and cats. Do not exceed recommended daily concentration. Measure carefully. Avoid contact with eyes and mucous membranes. May cause skin irritation. If eye contact or skin irritation develops, rinse with clean water for at least 15 minutes, stop treatment and contact your veterinarian immediately. If ingestion occurs, rinse mouth with clean water and offer large amount of milk, egg whites or water.

**DO NOT INDUCE VOMITING**
