Active Ingredient

Citrus Limon Burm 1X HPUS

Purpose

Cold and Flu Symptom Relief

Uses For temporarily relief of cold and flu symptoms

If pregnant or breast-feeding, ask a health professional before use.

For nasal use only. To be applied with swabs, do not spray into nasal passages.

Ask a doctor before use if you:

- Have any known allergies to any of the ingredients listed.
- Had recent nasal surgery.
- Have existing bleeding problems.
- Intend to use product on children under 2 years old.

When using this product Keep away from eyes, in case of eye contact, immediately flush with water.

Stop use of this product if any irritation develops.

Keep out of reach of children. If swallowed, get medical help or contact a poison control center immediately.

Directions

Remove cotton swab from the bag

- shake the bottle well for 5-7 seconds
- remove cap and squeeze bottle to apply 3-4 drops to saturate each side of the cotton swab
- place thumb and index finger at the center of swab tube and apply solution to each nostril using one cotton end per nasal opening (approx. 1/8")
- after placing just the swab tip in the nose saturate the complete area of each nostril in a circular motion
- discard swab and secure cap
- squeeze nostrils to ensure an even distribution of solution
- PrevinC may be applied every 6-8 hours up to twice daily unless in the presence of a family member with symptoms of cold and flu. No more than 3 applications daily.

Inactive ingredients

Isopropyl Alcohol, Sesame Oil, Aloe Vera Oil Extract

Other Information Store in a cool, dry place between 59 degrees F - 84 degrees F (15 degrees C - 29 degrees C)

- Flammable, keep away from fire
