Itch Relief

Drug Facts

Active Ingredient

Apis mellifica 12X

Purpose

stinging, pain, redness, burning

Active Ingredient

Lachesis mutus 12X

Purpose

burning, skin discoloration

Active Ingredient

Ledum palustre 6X

Purpose

itching, skin irritation

Active Ingredient

Urtica urens 8X

Purpose

itching, burning, skin irritation and rashes

Uses:

According to homeopathic principles, the active ingredients in this product temporarily relieve minor symptoms associated with insect bites & stings and minor skin irritations due to poison ivy, oak & sumac such as: pain itching

Warnings:

- **For external use only.**
- According to homeopathic principles, symptoms may temporarily worsen before improving (initial exacerbation of symptoms).
- Avoid contact with the eyes.
- If conditions worsen or persist for more than 72 hours discontinue use and consult a physician.

If pregnant, trying to get pregnant or breast feeding,

ask a health professional before use.

Keep out of reach of children.

If swallowed, get medical help or contact a Poison Control Center right away.

Directions:

For adults and children age 2 and over: Moisten the affected area with roller ball at short intervals several times a day until the symptoms clearly diminish. Continue to apply 3-6 times daily until the affected area is completely cleared up.

Other Information:

Active ingredients are manufactured according to homeopathic principles.

Inactive Ingredients:

Alcohol, 40% V/V, Vegetable glycerin
