Recommended for all skin conditions. Quickly mist on very water resistant (up to 80 minutes) sunscreen for instant full-spectrum protection. Formulated with the latest sunscreen technology, this S.D. alcohol-free spray absorbs rapidly to provide an invisible full-body shield against damaging UVA and UVB rays. Vitamins C and E help protect against environmental assaults while Vitamin A and Organic Silicones condition skin. Contains no artificial fragrance or color.

Product guaranteed when professionally recommended. Ask your skin therapist for a Face and Body MappingSM analysis and your customized zone-by-zone prescription.
