Medicasp Shampoo®
Anti-dandruff

Drug Facts

Active ingredient

Solubilized Coal Tar Extract 2.5% (Coal Tar, 0.5%)

Purpose

Anti-dandruff

Use

controls the symptoms of

- ◆ dandruff
- ◆ seborrheic dermatitis
- ◆ psoriasis

Warnings

For external use only

Ask a doctor before use if you have a condition which covers a large part of the body

When using this product

- ◆ do not get into the eyes. If contact occurs, rinse eyes thoroughly with water
- ◆ use caution exposing skin to sunlight after applying this product. It may increase your tendency to sunburn for up to 24 hours after application.
- ◆ do not use for prolonged periods without consulting a doctor
- ◆ do not use with other forms of psoriasis therapy such as ultra violet radiation or prescription drugs unless directed to do so by a doctor.

Stop use and ask a doctor if condition worsens or does not improve after regular use of this product as directed.

Keep out of reach of children.

If swallowed, get medical help or contact a Poison Control Center right away.

Directions

- ◆ wet hair thoroughly
- ◆ apply the shampoo into the scalp and massage

- ◆ lather and leave on hair and scalp for several minutes
- ◆ rinse and repeat
- ◆ for best results use at least twice a week or as directed by a doctor

Other information

- ◆ store away from direct sunlight
- ◆ in rare instances, discoloration of gray, blonde, bleached or tinted hair may occur

Inactive ingredients

water, sodium laureth sulfate, cocamide MEA, cocamidopropyl betaine, laureth-4, fragrance, polysorbate 20, citric acid, sodium chloride, tetrasodium EDTA, DMDM hydantoin, caramel, red 40

Advertencias

Únicamente para uso externo

Consulte a su médico antes de utilizarlo si usted tiene una condición que cubra una gran parte del cuerpo.

Cuando utilice este producto

- no aplicar en los ojos. Si ocurre el contacto, enjuagar perfectamente los ojos con agua.
- tenga precaución al exponer la piel a la luz solar después de aplicar este producto. Puede incrementar su tendencia a quemaduras solares hasta por 24 horas después de su aplicación.
- no lo utilice por períodos prolongados sin consultar con su médico.
- no lo utilice con otras formas de terapia para la psoriasis tales como radiación ultravioleta o medicamentos de prescripción a menos que así lo indique su médico.

Suspenda su uso y consulte a su médico si la condición empeora o no se observa mejoría después del uso regular de este producto de acuerdo a las indicaciones.

Manténgase fuera del alcance de los niños.
En caso de ingerir, obtenga asistencia médica o contacte a un Centro de Control de Envenenamiento de manera inmediata.
