PURPLE COLOR CORRECTOR WHITENING TOOTHPASTE

This Purple Color Corrector Toothpaste is formulated with color science technology to optimize the whiteness of your smile.

Purple is the opposite color to yellow in the color spectrum – the optical pigments in this toothpaste act as filter on yellow stains revealing a whiter brighter smile. Formulated with Fluoride to provide daily protection against cavities.

THIS PACK CONTAINS:

COLOR CORRECTING TECHNOLOGY

DAILY CARE WHITENING

DAILY CARE WHITENING

COLOR CORRECTING TECHNOLOGY

White Glo Purple Toothpaste contains colour correcting technology to help conceal yellow stains and make your teeth appear whiter. Dentist developed with total oral care protection for daily use.

This formula has been specifically designed to promote healthier teeth and gums.

DIRECTIONS:

Adults and children 2 years of age & older: Brush teeth thoroughly, preferably after each meal or at least twice a day, or as directed by a dentist or doctor. Do not swallow. To minimise swallowing use a pea-sized amount in children under 6. Children under 2 years ask a dentist. Use daily in place of your ordinary toothpaste. Electric toothbrush users should include White Glo Anti-Stain toothbrush for better results*
