## **Microvara**

### **DESCRIPTION**

Microvara™ is a prescription-dispensed oral probiotic dietary supplement formulated to support gastrointestinal health and promote balance of normal intestinal microflora. Each serving (two capsules) provides 50 billion colony-forming units (CFU) of beneficial probiotic organisms combined with marine polysaccharide.

The proprietary probiotic blend includes:

- Lactobacillus acidophilus
- Lactobacillus plantarum
- Lactobacillus rhamnosus
- Lactobacillus fermentum
- Lactobacillus reuteri

The formulation utilizes MAK Trek® Bi-Pass Technology to support probiotic viability during gastrointestinal transit.

Microvara™ is intended for use under the supervision of a licensed healthcare practitioner.

### **INDICATIONS AND USAGE**

Microvara™ is indicated as a probiotic dietary supplement to support digestive health and maintain normal intestinal flora.

It is dispensed by prescription and intended for use under medical supervision as part of a dietary supplementation plan.

### **DOSAGE AND ADMINISTRATION**

Adults: Take two (2) capsules once daily, or as directed by a licensed healthcare practitioner.

### **CONTRAINDICATIONS**

Microvara™ is contraindicated in individuals with known hypersensitivity to any of its ingredients.

### **WARNINGS AND PRECAUTIONS**

- If pregnant, nursing, or attempting to conceive, consult a licensed healthcare professional prior to use.
- Keep out of reach of children.
- Accidental overdose of iron-containing products is a leading cause of fatal poisoning in children under six years of age. In case of accidental overdose, call a physician or poison control center immediately.

## ADVERSE REACTIONS

Probiotic supplementation may occasionally result in mild gastrointestinal symptoms such as bloating, gas, or abdominal discomfort. If adverse reactions occur, discontinue use and consult a healthcare professional.

## HOW SUPPLIED

Microvara™ (NDC 85477-711-30) is supplied in bottles containing 30 capsules.

## STORAGE

Store at 20°–25°C (68°–77°F); excursions permitted to 15°–30°C (59°–86°F). Protect from excessive heat, moisture, and light.

## PRINCIPAL DISPLAY PANEL

**DOSAGE AND ADMINISTRATION:**  
Usual adult dose is 2 capsules once daily or as prescribed by a licensed medical practitioner.

If you are pregnant, lactating, or trying to conceive, consult with your licensed healthcare professional.

**WARNING:** Accidental overdose of iron-containing products is a leading cause of fatal poisoning in children under 6. In case of accidental overdose, call a doctor or poison control center immediately.

**KEEP OUT OF REACH OF CHILDREN**

**STORAGE:** Store at 20°–25°C (68°–77°F) excursions permitted to 15°–30°C (59°–86°F) (See USP Controlled Room Temperature). Avoid excessive heat, light, moisture, and exceeding 85% humidity.
