

**ZITFREE ACNE TREATMENT- benzoyl peroxide ointment**  
Natureplex, LLC

-----  
**ZITFREE**  
**ACNE TREATMENT**

***Drug Facts***

**Active ingredient**

Benzoyl peroxide 10%

**Purpose**

Acne treatment

**Uses**

- treats acne
- dries acne pimples and allows skin to heal
- helps prevent new acne pimples from forming

**Warnings**

**For external use only.**

**Do not use** if you

- have very sensitive skin
- are sensitive to benzoyl peroxide

**When using this product**

- skin irritation and dryness is more likely to occur if you use another topical acne medication at the same time. If irritation occurs, only use one topical acne medication at a time
- avoid unnecessary sun exposure and use a sunscreen
- avoid contact with the eyes, lips and mouth
- avoid contact with hair and dyed fabrics, which may be bleached by this product
- skin irritation may occur, characterized by redness, burning, itching, peeling or possibly swelling. Irritation may be reduced by using the product less frequently or in a lower concentration.

**Stop use and consult a doctor if** irritation becomes severe.

**If pregnant or breast-feeding,** ask a health professional before use.

**Keep out of reach of children.** In case of accidental ingestion, get medical help or contact a Poison Control Center right away: 800-222-1222.

## Directions

- *Sensitivity Test for a New User.* Apply product sparingly to one or two small affected areas during the first 3 days. If no discomfort occurs, follow the directions stated below
- clean the skin thoroughly before applying this product
- cover the entire affected area with a thin layer up to 3 times daily
- because excessive drying of the skin may occur, start with 1 application daily, then gradually increase to 2 to 3 times daily if needed or as directed by a doctor.
- If bothersome dryness or peeling occurs, reduce application to once a day or every other day
- if going outside, use sunscreen after using this product. If irritation or sensitivity develops, stop use of both products and ask a doctor.

## Other information

- store at 15 to 30°C (59 to 86°F)
- **Tamper Evident:** DO NOT USE IF SEAL ON TUBE IS BROKEN OR MISSING.

## Inactive ingredients

carbomer, disodium EDTA, hydroxypropyl methylcellulose, laureth-4, methylparaben, purified water, sodium hydroxide
