Banana Boat Protective Dry Oil SPF 6

Active Ingredients

Octocrylene 0.03mL / 1mL

Oxybenzone 0.03mL / 1mL

Avobenzone 0.01mL / 1mL

Directions:

Apply generously and evenly to all areas 20 minutes before sun exposure. No need to rub in. Reapply frequently to maintain protection and also after swimming and towel drying. Do not spray directly into face. Spray on hands to apply to face. Use in a well-ventilated area. For external use only. Avoid contact with eyes and clothes.

Usage Advice:

Do not stay too long in the sun even while using a sun protection product. Keep babies and young children out of direct sunlight. Use clothing and sun protection products with a very high spf (higher than 25) for babies and young children. Over exposure to the sun is a serious health threat. Reducing applied quantity will significantly lower the level of protection.

WARNING:

FLAMMABLE. Pressurized container. Protect from sunlight and do not expose to temperatures exceeding 50°C. Do not pierce or burn, even after use. Do not spray on a naked flame, onto or near fire, or any incandescent material. Keep away from sources of ignition – No smoking. Use only as directed.

Keep out of reach of children.

INGREDIENTS:

Alcohol Denat., Octocrylene, Benzophenone-3, Paraffinum liquidum, C12-15 Alkyl Lactate, Ethylhexyl Benzoate, Trimethylolpropane Tricaprylate/Tricaprate, Butyl Methoxydibenzoylmethane, Cocos nucifera, Vitis vinifera, Acrylates/Octylacrylamide Copolymer, Cetearyl Ethylhexanoate, Dicaprylyl Carbonate, Aloe Barbadensis leaf , Retinyl Palmitate, Tocopherol, Caprylyl Glycol, Dimethyl Capramide, Parfum.
