**FEIX JABON FACIAL CON BIOAZUFRE/FACIAL SOAP WITH BIOSULPHUR**

Feix solid soap, made with coconut fatty esters and sulfur bio-fluid for washing oily skin, or acne-like hyper-secretory.

Feix solid soap is ideal for washing the skin with rashes, or very sensitive to alkali and soaps made with high concentrations of lye (caustic soda).

This product must be kept out of reach of the children.

This product is indicated for people who have hypersecretion of fat in the skin. It is used as a regular soap bar with the variety that this soap removes impurities from skin oils.

Feix, does not irritate or dry skin, is well tolerated at any age.

Feix biosulphur is topical application, rub the soap on the area to be treated gently massaging foam is generated.

This soap is made from a series of the ester type excipients that allow proper formation of soap, besides having ingredients that provide moisture to the skin.
