PHYTOVET MICELLAR OTIC CLEANSER

ACTIVE INGREDIENT: phytosphingosine HCl 0.02%

INGREDIENTS: water, polysorbate 80, alcohol denatured, propylene glycol, laureth-9, poloxamer 184, biosaccharide gum-2, imidazolidinyl urea, phenoxyethanol, potassium sorbate, citric acid, fragrance.

PROPERTIES: PhytoVet Micellar Otic Cleanser contains micellar technology and soothing agents to help emulsify and wash out waxy debris without drying. The solution is non-greasy and non-staining. PhytoVet Micellar Otic Cleanser also contains phytosphingosine, a pro-ceramide to help support a healthy skin barrier.

INDICATIONS: For use in dogs and cats only. Ideal for cleaning the ear canal, eye contours and skin folds. May also be used to clean soiled and matted hair, or greasy skin associated with seborrheic conditions.

DIRECTIONS FOR USE: Shake well before use. For ear cleaning, ask your veterinarian which of the two following protocols is best for your pet:

1) Moisten a cotton ball with solution and place in the entrance of the ear canal; OR

2) Hold the ear flap upwards and fill the ear canal with solution.

Then gently massage the base of the ear for 60 seconds. Remove the cotton ball (if used) and allow the pet to shake its head. Gently wipe away visible debris and excess solution with a clean, dry cotton ball.

To clean other areas of the skin, moisten a cotton ball or gauze with the solution and gently wipe the area to cleanse and remove visible debris. Repeat as often as necessary until clean.

CAUTIONS: For external use on dogs and cats only. Avoid contact with the eyes. In case of contact with eyes, rinse thoroughly and consult your veterinarian. If skin irritation occurs or increases, discontinue use and consult with your veterinarian. Do not use in the case of a suspected ruptured eardrum.

STORAGE CONDITIONS: Store at room temperature. Do not freeze.
