**RADICAL RELIEF GEL ROLL-ON**

**STOP PAIN AT THE SOURCE.**

If you are like us, you will do anything to feel your best. Being in pain sucks. It makes it difficult to perform your best or be present. Sometimes, the only solution is to be radical. So, we asked ourselves: "What's a truly radical solution to these painful situations?" And it turned out, it was actually the combination of a few radical moves.

First: Using 25% active ingredients (vs. the standard 8%). Second: Combining powerful actives with proven homeopathic ingredients. And finally: Engineering a zero-touch, stainless steel ball applicator called a 'Cryosphere'.

Yeah. That all sounded pretty radical to us. Say hello to the Radical Relief Gel Roll-On.

Everything you need is already inside. ASYSTEM is just the key to unlocking our potential.
