

**WALGREENS MAXIMUM STRENGTH ACNE TREATMENT ACNE MEDICATION-  
benzoyl peroxide gel  
Walgreen Company**

-----  
**Walgreens Maximum Strength Acne Treatment Gel**

**Drug Facts**

**Active ingredient**

Benzoyl Peroxide 10%

**Purpose**

Acne medication

**Use**

for the treatment of acne

**Warnings**

**For external use only.**

**Do not use if you**

- have very sensitive
- are sensitive to benzoyl peroxide

**When using this product**

- avoid unnecessary sun exposure and use a sunscreen
- avoid contact with the eyes, lips and mouth
- avoid contact with hair and dyed fabrics, which may be bleached by this product
- skin irritation and dryness is more likely to occur if you use another topical acne medication at the same time. If irritation occurs, only use one topical acne medication at a time
- skin irritation may occur, characterized by redness, burning, itching, peeling, or possibly swelling. Irritation may be reduced by using the product less frequently or in a lower concentration.

**Stop use and ask a doctor if**

- irritation becomes severe.

**If pregnant or breast-feeding,** ask a health professional before use.

**Keep out of reach of children.** If swallowed, get medical help or contact a Poison Control Center (1-800-222-1222) immediately.

**Directions**

- clean the skin thoroughly before applying this product
- cover the entire affected area with a thin layer one to three times daily
- because excessive drying of the skin may occur, start with one application daily, then gradually increase to two to three times daily if needed or as directed by a doctor
- if bothersome dryness or peeling occurs, reduce application to once a day or every other day
- if going outside, apply sunscreen after using this product. If irritation or sensitivity develops, stop use of both products and ask a doctor.

**Other information**

- keep tightly closed
- store at room temperature

**Inactive ingredients**

bentonite, carbomer, ethylhexylglycerin, glyceryl stearate, isopropyl myristate, PEG-12 dimethicone, phenoxyethanol, potassium hydroxide, propylene glycol, water.
