Diaper Rash Skin Protectant Ointment

Crema Cero

Cero

Babies

With Aloe Vera

Prevents and Relieves Diaper Rash

How does Crema Cero with Aloe protect your baby's skin?

Crema Cero with Aloe Vera provides a barrier between the baby skin and the humidity to prevent irritation and burns.

Cures rapidly the irritation caused by diapers and helps prevent future irritations.

CREMA CERO with Aloe relieves the discomfort of the skin caused by irritation and inflammation, creating a protective film that isolates the skin from the humidity and from other factors it is exposed to.

Crema Cero protective, emolient and softening.

It is effective in preventing diaper rashes.

Laboratorios Cero S.A.

is interested in your baby's well being, we have developed a variety of specialized products to help care for the delicate skin
