**Ideal Protein of America Inc.**

*Disclaimer: Most OTC drugs are not reviewed and approved by FDA, however they may be marketed if they comply with applicable regulations and policies. FDA has not evaluated whether this product complies.*

-----

**1122 - Ideal Protein**

**Drug Facts**

**Active ingredient**

(in each tablet)

Sennosides 8.6 mg

**Purpose**

Stimulant laxative

**Use**

- Helps to relieve occasional constipation (irregularity)
- Bowel movements usually occur within 6-12 hours.

**Warnings**

**Do not use** laxative products when abdominal pain, nausea or vomiting are present unless directed by a physician.

**Consult a physician before use if you have** noticed a sudden change in bowel habits that persist over a period of 2 weeks.

**When using this product**

do not use for a period longer than 1 week.

**Stop use and consult a physician if** you have rectal bleeding or fail to have a bowel movement occur after use of a laxative. These may be signs of a serious condition.

**If pregnant or breast-feeding,** ask a health professional before use.

**Keep out of reach of children.**

In case of overdose, get medical help or contact a Poison Control Center right away.

**Directions**

- Adults and children 12 years of age and older: 2-4 tablets once daily at bedtime, or as directed by a physician.
- Children under 12 years of age: consult a physician.

**Other Information**

- Each tablet contains: **Calcium 20 mg**
- **Do not use if safety seal is broken**
- After opening, store at room temperature away from humidity.

- Side effects may occur. You may report side effects to the FDA at 1-800-FDA-1088 (Toll Free).

## Inactive Ingredients

Croscarmellose sodium, dicalcium phosphate, hypromellose, magnesium silicate, magnesium stearate, microcrystalline cellulose, mineral oil, polyethylene glycol.
