

ASPEN FOOT PATROL- hoof care powder
ASPEN VETERINARY RESOURCES LTD

Disclaimer: This drug has not been found by FDA to be safe and effective, and this labeling has not been approved by FDA. For further information about unapproved drugs, click here.

SODIUM PERCARBONATE..... 77.5%

SUGGESTED USE: Double-action, high performance product for use on floors and in areas where biosecurity measures are required. Foot Patrol is a granulated product that when wet releases activated oxygen and a mild alkalinity. For use in livestock production facilities, swine, poultry, commercial egg laying, turkey, chicken, cattle and dairy. Foot Patrol works when wet or dry and contains low-foam surfactants to penetrate into places where other products cannot reach.

CAUTION: KEEP OUT OF REACH OF CHILDREN

DIRECTIONS FOR USE: Apply undiluted product directly to floors and other non-metallic surfaces. If the material is still visible as a powder, it remains active. When wet or dissolved, if pH remains above 9 it remains active.

DRAINS: Apply to drain covers and entire perimeter of the drain.

ENTRYWAYS: Apply 1/16-1/8 inch thick layer in entryway, on floor or on a mat.

GENERAL FLOOR TREATMENT: Apply 2-4 oz./square yard (68-135 g/square meter). Apply manually or by using broadcast spreader.

ANIMAL FOOTBATH: Apply evenly through footbath to reduce incidence and spread of hoof rot and hairy heel warts. For best results, rinse bath clean and replace product every 200 animal passes.

WARNING

CAUSES SKIN IRRITATION

CAUSES SERIOUS EYE DAMAGE

MAY INTENSIFY FIRE; OXIDIZER

DIRECTIONS FOR USE: Apply undiluted product directly to floors and other non-metallic surfaces. If the material is still visible as a powder, it remains active. When wet or dissolved, if pH remains above 9 it remains active.
