H and P Industries, Inc. dba Triad Group

Disclaimer: Most OTC drugs are not reviewed and approved by FDA, however they may be marketed if they comply with applicable regulations and policies. FDA has not evaluated whether this product complies.

DRUG FACTS

ACTIVE INGREDIENT

Povidone Iodine USP 7.5% w/v (equivalent to 0.75% titratable iodine)

PURPOSE

Antiseptic

USES

- Surgical hand scrub for health care professionals
- Health Care Antiseptic for preparation of the skin prior to surgery
- First Aid Antiseptic to help prevent the risk of infection in minor cuts, scrapes and burns

WARNINGS

For external use only.

Do not

- use in the eyes
- apply over large areas of the body
- use on individuals who are allergic or sensitive to iodine
- use as a first aid antiseptic for longer than 1 week unless directed by a doctor

Ask a doctor in case of

- deep or puncture wounds
- animal bites
- serious burns

Stop use and ask a doctor

- if condition persists for more than 72 hours
- if irritation and redness develop

Keep out of reach of children

If swallowed, get medical help or contact a Poison Control Center right away.

DIRECTIONS

As a surgical hand scrub for use by health care professionals

- clean under nails with a nail pick
- nails should be maintained with 1 millimeter free edge
- wet hands and forearms
- apply milliliter (teaspoon) or palmful to hands and forearms
- scrub thoroughly paying particular attention to nails, cuticles and interdigital spaces
- rinse and repeat scrub

For preparation of the skin prior to surgery

- clean the affected area
- apply to the operative site prior to surgery

As a first aid antiseptic

- clean the affected area
- apply a small amount of this product to the area 1-3 times daily
- may be covered with a sterile bandage
- if bandaged, let dry first
