Warnings:

A PHYSICIAN SHOULD ALWAYS BE CONSULTED TO RULE OUT SERIOUS CAUSES.

- **For external use only.**
- This product is intended to complement, not replace, standard medical treatment.
- Initial worsening of symptoms may occur.
- **If pregnant or breast-feeding,** ask a health professional before use.
- Replace cap after every use.
- To avoid contamination: do not touch tip to any surface.
- Use within 30 days of opening.
- EXPIRATION DATE ONLY REFERS TO THE UNOPENED TUBE.
- The use of this container by more than one person may spread infection.
- Contact lens wearers: Consult a physician before use.

Do not use:

- Do not use if bottom ridge of tube cap is exposed and imprinted carton seal is not intact.
- You frequently contract infections that do not clear up easily.
- You experience eye pain or changes in vision.

Stop use and ask a doctor if:

- You experience eye pain, changes in vision, continued redness or irritation of the eye.

- The condition worsens.
- The condition last longer than 72 hours.

Keep out of reach of children

In case of accidental ingestion, get medical help or contact Poison Control Center right away.

Directions:

- Suitable for adults and children ages 2 and over. Children under the age of 2: Consult a physician before use.
- Wash your hands.
- Squeeze out approx. 1/8" of ointment onto fingertip.
- Gently apply directly to affected area.
- Apply before bedtime.
- Homeopathic remedies may not be effective for everyone. Individual results may vary.

Other information

- Store at room temperature 15° to 30° C (59° to 86°F)
- Keep tube tightly closed. • Active ingredients are micro-diluted in accordance with the Homeopathic Pharmacopoeia of the United States and are therefore non-toxic with no known side effects or contraindications.
- RedEye Relief™ Homeopathic Sterile Lubricating Eye Ointment is a homeopathic dilution, for details see www.thereliefproducts.com

Inactive Ingredients:

Lactose, Lanolin alcohol, Mineral oil, White petrolatum.
