Acne Advanced Cleansing Foam

Drug Facts

Active ingredient

Salicylic Acid 1%

Purpose

Acne Treatment

Use

- For the treatment of acne.

Warnings

For external use only

When using this product

- Skin irritation and dryness are more likely to occur when using another topical acne product at the same time. If irritation occurs, use only one product at a time.
- Avoid eye area. In case of eye contact, flush gently and thoroughly with water.

Keep out of reach of children.

If swallowed, get medical help or contact Poison Control Center right away.

Directions

- Use 1 to 3 times daily.
- Pump a small amount of product to transform the liquid into a lightweight foam. Apply to skin and massage gently with fingertips in a circular motion covering the face and neck. Rinse thoroughly and pat dry.
- Because excessive drying of the skin may occur, start with one application daily, then gradually increase to 2 or 3 times daily if needed or as directed by a doctor. If bothersome dryness or peeling occurs, reduce application to once a day or every other day.

Other information

Store in controlled temperatures (4-20°C/39-68°F). Keep in a dark and dry place. Keep container tightly closed.
