

**LA ROCHE POSAY LABORATOIRE DERMATOLOGIQUE EFFACLAR AZ ACNE
TREATMENT- salicylic acid cream
COSMETIQUE ACTIVE PRODUCTION**

Drug Facts

Active ingredient

Salicylic acid 1.2%

Purpose

Acne treatment

Uses

- for the treatment of acne
- clears acne blemishes
- penetrates pores to control acne blemishes
- helps prevent new acne blemishes from forming

Warnings

For external use only

When using this product

skin irritation and dryness is more likely to occur if you use another topical acne medication at the same time. If irritation occurs, only use one topical acne medication at a time.

Keep out of reach of children.

If swallowed, get medical help or contact a Poison Control Center right away.

Directions

- shake well before use
- clean the skin thoroughly before applying this product
- cover the entire affected area with a thin layer one to three times daily
- because excessive drying of the skin may occur, start with one application daily, then gradually increase to two or three times daily if needed or as directed by a doctor
- if bothersome dryness or peeling occurs, reduce application to once a day or every other day
- if going outside, apply sunscreen after using this product. If irritation or sensitivity develops, stop use of both products and ask a doctor.

Other information

- store at room temperature 68° – 77°F
- protect from freezing

Inactive ingredients

water, azelaic acid, C15-19 alkane, glycerin, triethyl citrate, diglycerin, panthenol, silica, ammonium polyacryloyldimethyl taurate, taraxacum officinale (dandelion) rhizome/root extract, zinc gluconate, glyceryl stearate, PEG-100 stearate, sodium hyaluronate, sodium hydroxide, sodium phosphate, disodium phosphate, hydroxyethylcellulose, hydroxypropyl starch phosphate, tetrasodium glutamate diacetate, citric acid, trisodium ethylenediamine disuccinate, pentyleneglycol, polysorbate 60, fragrance

WITH LA ROCHE-POSAY
THERMAL SPRING WATER

40 ml - 1.35 FL.OZ.

Made in France

FOR: Recurring acne breakouts. Stubborn post-acne marks. Signs of aging.

INNOVATION: Unique formula powered by dermatological ingredients:

Acne breakouts:

- Salicylic Acid: clears acne blemishes and allows skin to heal.

Signs of aging:

- Hyaluronic Acid: hydrates to smooth skin texture and helps reduce the appearance of fine lines and wrinkles.

- Zinc: helps to improve skin texture & dullness.

- Azelaic Acid: known for its anti-oxidant properties.

RESULTS: Treats acne and helps correct aging skin concerns. From 1 week, blemishes are reduced and skin tone appears more even. Skin appears firmer and more radiant*. With regular use, persistent marks appear less visible. Wrinkles appear reduced and skin looks more firm**.

* Clinical study and self-assessment, 81 subjects, application twice a day.

** Clinical study, 42 subjects, application twice a day, 56 days.

APPLICATION: Apply morning and evening on face. Hydrating and ultra fast-absorbing gel-cream texture with smooth finish. Avoid contact with eyes and lips. If contact occurs, rinse thoroughly with water. Do not apply on broken or irritated skin. If irritation occurs, discontinue use. Use broad spectrum sunscreen while using this product and for 1 week after stopping use.
